

# MCUAAAR Mondays

May 4, 2020

To reduce the number of messages sent out to the MCUAAAR 5 Listserv, if you send me the kind of information found below, I will compile it and send it out on "MCUAAAR Mondays"

## EVENTS

**Webinar on May 15<sup>th</sup> @ noon ET** -"Getting the most out of your mentoring relationships," with Dr. Roger Fillingim. Register here to participate:

## **RESOURCES**

### **CDC High Obesity Program Collection**

This [collection of 9 articles](#) highlights approaches to improve the nutrition and physical activity environments in rural areas with a high prevalence of adult obesity.

### **Social Work COVID-19 Expert tips and Resources**

Experts within the Wayne State University School of Social Work have come together to provide support to our community during the COVID-19 pandemic. We have published the following COVID-19 related tip sheets with resources for social work professionals, allied health and criminal/legal professionals and the public. We have additional resources in the pipeline and will post as available. <https://socialwork.wayne.edu/coronavirus/expert/tips>

### **A Wider Lens on the Impact of COVID-19**

#### ***An Interview with Dr. David R. Williams***

<https://everychildthrives.com/a-wider-lens-on-the-impact-of-covid-19/>

“The COVID-19 pandemic is a singular event,” says Harvard University T.H. Chan School of Public Health Professor David Williams. “There has never been a pandemic that changed so many lives in such profound ways.”
