

MCUAAAR Mondays

October 12, 2020

To reduce the number of messages sent out to the MCUAAAR 5 Listserv, if you send me the kind of information found below, I will compile it and send it out on “MCUAAAR Mondays”

NEWS

Translating NIH’s Alphabet Soup

October 7, 2020

Kimberly Krammer

“When voyaging abroad, many travelers bring along a book of phrases to help them navigate new languages. While NIH isn’t a country unto itself, we’ve certainly developed enough jargon to confuse even the most intrepid explorers! Here’s an explanation of a few commonly used terms to make your next journey through the grant application process go a little more smoothly.”
