

Consultancy	Purpose
1 Mivera 2-hour Zoom Meeting	Feedback on an intervention designed to reduce social isolation & create critical care circles.
2 SAGES Symposium 1-hour Presentation, 2 1-hour panel presentations, Q&A live discussion for online event	Provide information on the HBEC program, and how to engage older adults in research.
3 Designing Health-Related Conversational Assistants for Health-Information Seeking Among Low-Income African-American Older Adults 1-hour Zoom meeting	Feedback on study procedure and materials that was changed to be a remote study.
4 George Washington University, Institute for Brain Health and Dementia Research 1.5 hour Workshop, online	Provide workshop on conducting community-based research and outreach: "Understanding Community Based Research for Older Adults: Working from the Ground Up".
5 WSU SSW Caregiver Hotline 1-2 hour training	Provide training & feedback to caregiver hotline callers and coordinators on telephone outreach & surveying.
6 Glaucoma Medication Adherence Focus Group 2-Hour Zoom Meeting	Provide feedback on research study, specifically text message responses sent to participants on eye drop usage for glaucoma.
7 Community-Engaged Research Symposium to Advance Health Equity: The Impact of Coronavirus Now and in the Future 1-Hour Zoom Panel presentation	Provide panel presentation on HBEC program and being a CAB member, recruiting seniors for research.
8 The Cancer and Aging Initiative at the Rogel Cancer Center 4-hour Zoom meeting	Attend brainstorming meeting to discuss ideas and opportunities in cancer and aging to identify priority topic areas.
9 Black Men's Brain Health Registry On-going virtual meetings	On-going virtual meetings providing information on research registry logistics, best practices, staffing, software programs, and sharing registry materials
10 Aging PCOR Learning Collaborative Podcast Series 1-hour podcast recording via Zoom	Two HBEC CAB and two staff are interviewed on the importance of engaging older adults in the design of research, some common pitfalls to engagement, and strategies for success.

11	<p>Communication Matters: A Partnership Between the Healthier Black Elders Center and the Research Program on Cognition and Neuromodulation Based Interventions</p>	<p>3 consultation meetings to review tools & planning 1 lunch and learn event. 3 in-person focus groups held at IOG Freer House.</p>
Multiple in-person and virtual meetings with CAB, in-person focus groups		
12	<p>Training Mentorship Program</p>	<p>HBEC Faculty Leader and Program Coordinator matched with two PhD students to provide approximately 12 hours of general technical assistance and training as identified through planning meetings, to meaningfully apply engagement methods within their research design and funding proposals.</p>
13	<p>Black Elders and Voice Technologies: The Google Project</p> <p>2 CAB Advisory meetings, 2 in-person workshops, follow-up telephone surveys</p>	<p>CAB members participated in 2 Zoom meetings: one at start of project to advise on workshop design, discussion questions, location, and logistics. CAB members reviewed preliminary results and provided feedback on result report and dissemination plans.</p>
14	<p>“Expertise” Reimagined: A Webinar For Funders</p> <p>1-hour Zoom webinar presentation</p>	<p>Presentation on the importance and rewards to engaging older adults in research, and why it is vital for funders to fund this type of research</p>
15	<p>Google Fireside Chat</p> <p>1-hour Zoom presentation</p>	<p>Presentation/reflection on experience of Google consultancy project</p>
16	<p>CAREER: Nudging Older Adults to Mitigate Voice Interface Uncertainty</p> <p>5-year grant project</p>	<p>Project focuses on how to design voice technologies that is easy for older adults to tell if responses are trustworthy and credible. CAB will provide oversight at beginning, middle, and end of project.</p>
17	<p>Thome Aging Well: "Resident Engagement Methods"</p> <p>1.5-hour Zoom meeting</p>	<p>Focus group via Zoom for CAB to provide insight on aging in place (housing), and general health/wellbeing. Foundation will use this feedback to plan directions for funding opportunities.</p>
18	<p>Aging PCOR Learning Collaborative: Advanced Engagement project</p> <p>18-month grant project</p>	<p>Provide technical assistance and training to assist researchers to engage underserved and underrepresented communities in research. Guide their Steering Committee and Older Adult Subcommittee outreach and engagement activities to support diversity. Participate in short term Workgroup meetings and provide input on up to three major products.</p>
19	<p>Bridging the Divide: Fostering Partnerships for Urban African-American Aging Research</p> <p>1 hour Zoom meeting</p>	<p>Two CAB members pilot test computer set-up guide, provide written notes on experience and participate in 1-hour Zoom feedback session</p>
